

What is National Philanthropy Day?

National Philanthropy Day is an event that publicly recognizes the impact of service and philanthropy within Central Florida. Each year, the Central Florida Chapter of the Association of Fundraising Professionals (AFP) honors donors, volunteers, professionals and organizations whose gifts of time, expertise and resources contribute significantly to the quality of life in our communities.

When is National Philanthropy Day?

National Philanthropy Day will be held on Friday, November 9, 2018 at The Ritz-Carlton Orlando, Grande Lakes.

Who is eligible for a National Philanthropy Day award?

All Central Florida nonprofits, corporations, foundations, and civic and service organizations are encouraged to nominate their donors, community partners, board members, staff members and other volunteers for an award appropriate to their role. Honorees are not eligible to repeat the honored award in the same category for five years.

Who can submit a nomination for a National Philanthropy Day Award?

An individual, a public or private organization, a civic or service group, or an AFP member may submit a nomination for each award. Nonprofit organizations are encouraged to partner on nominations, and in such cases, a single nomination form is acceptable. Include a cover letter summarizing the collaboration with the submitted nomination.

Who selects the award winners?

An awards committee made up of AFP members from the First Coast Chapter (Jacksonville, FL) will make the final selection for each award. Please keep in mind, the selection committee does not know these nominees. Their decisions are based entirely on the materials you submit. Please refer to the award criteria to guide the narrative for your nomination letter. All decisions are final. If in the judgment of the National Philanthropy Day Committee, no nominee meets the criteria for a particular category, no award will be given for that category.

How many categories are there?

For 2018, there are 4 award categories with 1 winner per category and 6 honoree categories that will honor 3 recipients per category. Honorees will be featured collectively with co-winners in their category. Honoree nominees will also be judged by the First Coast Chapter.

When are nominations due? Nomination forms must be received ONLINE no later than June 22, 2018.

How do I submit a nomination? Nominations are accepted using an electronic form accessible from the Central Florida Chapter's website: <http://afpcentralflorida.org/npd/nominationform.aspx>
